

## Sailor's Farewell Hymn

It is time to go now  
Haul away your anchor  
Haul away your anchor  
It is sailing time

Get some sail up on her  
Haul a-way your halyards  
Haul a-way your halyards  
It's our sailing time

Get her on her course now  
Haul away your fore sheet  
Haul away your fore sheet  
It's our sailing time

Waves are rolling under  
Haul away down channel  
Haul away down channel  
On the evening tide

Tussenspel Neuriën

When my days are over  
Haul away for heaven  
Haul away for heaven  
God be by my side
